## Vindeholme Pleasure Castle

The tour starts on Thursday afternoon at the quaint elegant Vindeholme Pleasure Castle, where you are welcomed by the Lady of the manor with a personal introduction to the fascinating history of Vindeholme. Later, you will enjoy dinner in the charming dining room, and round off your day in the elegant parlours.

## Reventlow Museum Pederstrup

Following a leisurely morning walk in the woods, you will continue to the Reventlow Museum at Pederstrup Manor for a light lunch. After the meal, you will be made acquainted with the fascinating and rich history of Prime Minister Count Christian Reventlow and his revolutionary reforms on agriculture and education, which were instrumental in shaping Denmark as we know it today.

## Lungholm Castle

At Lungholm Castle, the steward will welcome you in the late afternoon and offer you the opportunity to learn about and to hear about and taste four local wines all of which have won great international recognition. After dinner, you can relax in the stately living rooms, join in a game of pool or go exploring in the liquer cabinet of the Baron.

On Saturday, time has been set aside for you to enjoy the day at your own leisure. The landscapes of Lolland offer rich opportunities for recreation. Visit Fuglsang Art Museum, go for a walk at Skejten, visit the brewery at Krenkerup Manor or take a stroll through Nykøbing Falster and treat yourself to a day of shopping.

## Fuglsang Manor House

After a pleasant day, we will meet again at Fuglsang Manor House for coffee or tea and homemade cake and an introduction to the interesting history of the manor and its former owner Mrs. Neergaard. Afterwards, you will have ample time to dress for dinner, before we meet for an aperitif in the conservatory. The three-course dinner will be served in the magnificent banquet hall, while the pianist of the evening will entertain you with 20th century music on the grand piano.
